

JUNIOR PLAYER SPONSORSHIP PROGRAM

(Player Information)

The junior player sponsorship program offers incentives for players, families and sponsors. Families will receive discounts on their registration fees, Sponsors will receive recognition on the club's web site and a range of other benefits (see below) whilst the player will have a chance of winning a \$300 Sportsmart voucher.

Players are NOT obligated to obtain a sponsor it is purely optional however the club encourages all players and families to get behind this initiative. The more sponsors involved in the club the stronger our club will become.

The objective of this program is to introduce more sponsors to the club (preferably businesses). Sponsorship could come from parents employers, relatives, friends, neighbours or local businesses. Some families may wish to sponsor their own child to obtain the associated benefits outlined below and certainly families who own and/or operate their own businesses will have taxation advantages in doing so.

What does the family / player receive?

Players obtaining a sponsor will obtain a discount on their registration fees, will have their photo placed on the web site with their sponsors name and will receive one entry into a draw for a SPORTSMART voucher valued at \$300. If a player's registration fees have already been paid a rebate will be given to them.
